In The Beginning Currents Of Friendship

Registration is a beginning and an end. It is the start of the school year and the end of summer. It is a constant rush from one place to another, from I.D. pictures to book check-in to class pictures to advisory room.

Registration is also a mixture of many feeling the excitement of Seniors looking forward to their last year.

Juniors just waiting for the year to be over with. Sophomores feeling a mixture of emotions- excitement, fear, loneliness and joy.

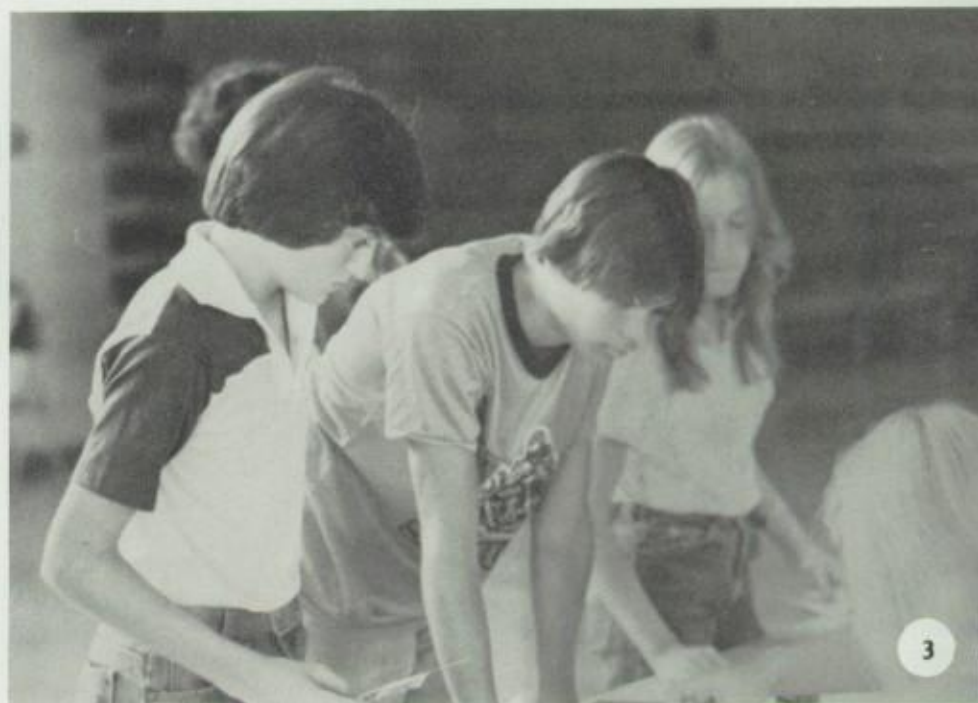

Registration is a time to renew old friendships and begin new ones, to compare stories of summer and to discuss ideas of the school year coming up.

Ram Spirit!!!

Students Show Spirit At Rallies

Question: What is it that compels the red blooded All-American Seniors, Juniors, and Sophomores of Riverview Gardens to get up earlier than usual each Friday morning during Football and Soccer season? Answer: Pep Rallies! Yes that's right, Pep Rallies. Every Friday morning, during football and soccer season, the students of Riverview Gardens congregate in front of the cafeteria to show their Ram spirit, for their team and their class! Each Pep Rally took place before advisory and was judged by the faculty. Once again as in years before the Seniors won the most Pep Rallies and during Spirit Week won the Spirit Stick. The Pep Rallies are lead by the Varsity cheerleaders.

What team has gone through two undefeated seasons, 23 straight wins and very little recognition? Cross Country!

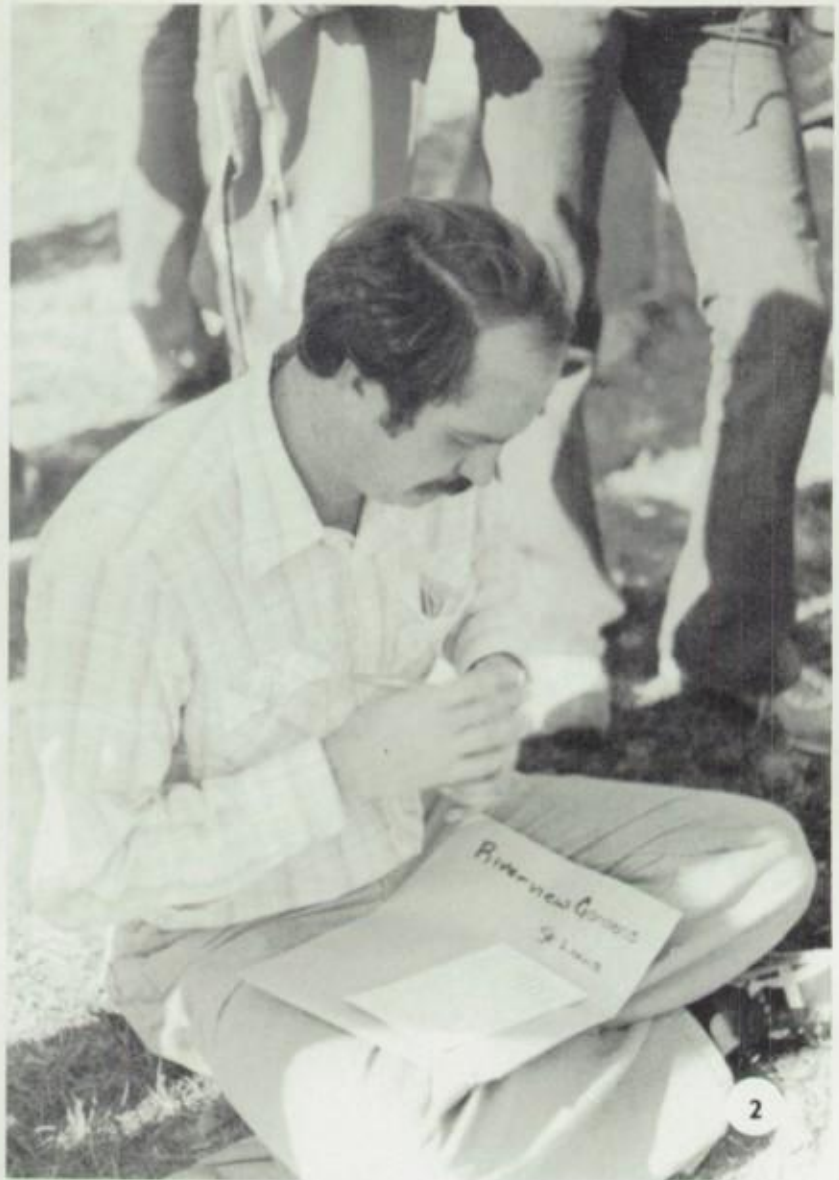

The team finished 11th in state and ended up the season with these top ten runners: Tim Brown, Phillip Paridy, Keith Quevreaux, Don Schneider, Rick Peterson, Dan Kopf, Ross Hammond, Joe Gierer, Dave Smith, and Paul Frost.

This year's team had many highlights. This does not include mud fights or camp. Tim Brown was chosen to the all-conference team, and the second place varsity finish in the District meet.

Coaching these rugged runners was Gerry Moenster. The 1980 team co-captains were Phillip Paridy and Rick Peterson. This year's varsity team has been undefeated since they were sophomores, which is 23 straight wins.

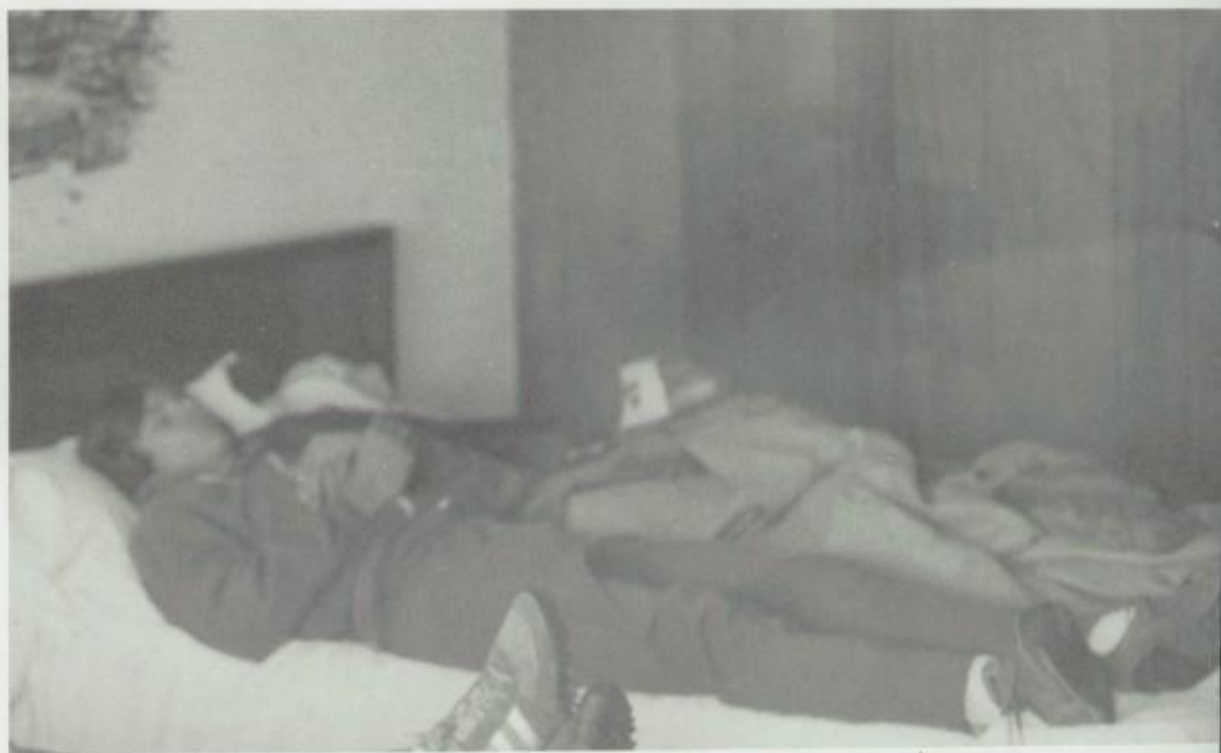

The members of this year's team were sophomores: Lisa Paridy; the only girl member, Ron Adams, John Gaines, Anthony Harris, Tim Lake, Dave Smith, and Joe Gierer. Juniors: Mike Boner, Tim Brown, Mike Davis, Don Schneider, and Dave Taschner. Seniors: Scott Anderson, Rich Britt, Greg Colvin, Paul Frost, Chuck Gower, Pat Guerdan, Ross Hammond, Dan Kopf, Mgr. baby soccer rams hang tough in 1980

Despite the Baby Rams overall record of 5 wins and 11 losses, this team is full of talented players.

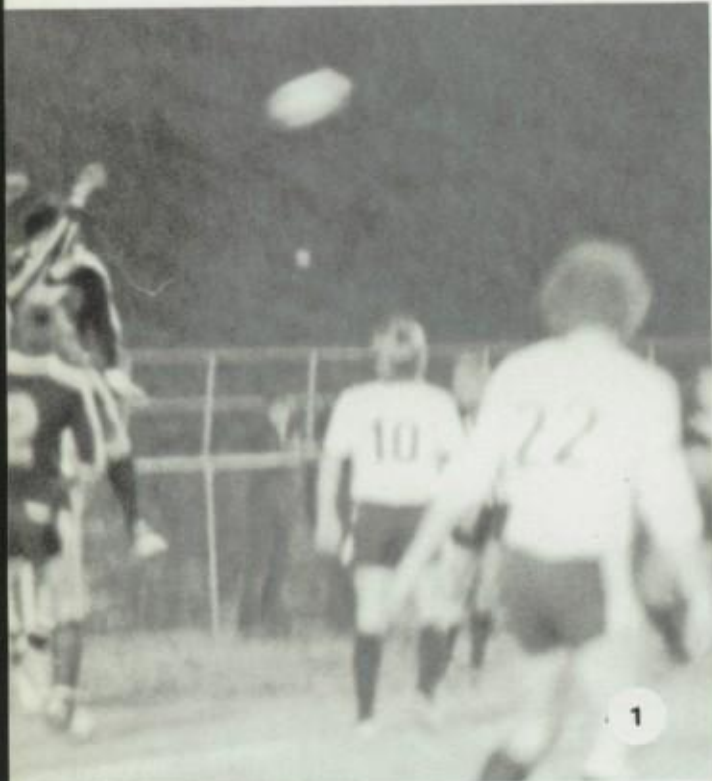

A lot of the varsity will graduate this year but some of these players should be able to pick up where the varsity left off. Among these are John Peterson and Dan Wacker who led the team with 13 points apiece. Wacker led in goals with 9 and Peterson in assists with 5.

Mr. Bankowski, the Baby Rams coach said Ted Clucas; Fullback and Ed DuBois; Halfback were two other outstanding players for the team.

Three of the team's five victories came in conference competition, enabling them to place 6th out of 9 teams in the Suburban North.

Varsity Soccer Reaches for the Stars-

The fans and cheerleaders roared as the Rams walked away with another victory, the score 1 to 0 over the Hazelwood Central Hawks. Premier Goaltender, Pat Baker racked up still another shutout, his fifteenth of the season. Many games were like this during the 80 season. Offensively the Rams were tremendous with Neil Madigan and Steve Stocker the leading goal scorers. Todd Whitney, Matt Brooks, Stacy Allen, and Dan Hogan are just a few who played an important part in leading the Rams on to victory.

This season the Rams took second place in the Suburban North Conference, missing first by only a half game. This was an upset, but when the Rams whipped the Rosary Rebels in double overtime 3 to 1 to win the District title, everyone knew that the Rams had what it would take. They qualified for the state tournament in which they defeated the Hazelwood Central Hawks 1 to 0. They lost to Vianney and SLUH after hard fought battles at Lindenwood College. The Rams finished their season by taking fourth in the state. Their overall record was 17-6-6. This was a highly

successful season for Coach Frank McHugh.

Neil Madigan, Pat Baker, and Matt Brooks were named to the first team all conference. Pat was also named to first team all state and first team all midwest. Todd Whitney was named to the second team all conference while Dan Hogan and Scott Powelson received Honorable- Mentions.

Neil and Pat were the team captains. Neil broke the all time school record for goals by scoring 28 in his high school career. Pat broke the school record for shutouts by recording 15. Pat also received the honor of being chosen High School's All American Goaltender.

The Rams also enjoyed times of fun off the field. They were kidnapped by the Varsity cheerleaders and taken to breakfast on October 25, just two days before the Rosary game. Everyone had a good time, and weren't the cheerleaders surprised when they were kidnapped by the team??? Decorated locker rooms and lots of laughs helped make the 80 season even more memorable.

The soccer Rams received much honor and recognition for their fine season.

Ram Tough Varsity Football

This was a frustrating year for the football Rams. Besides their record, one of the winningest coaches in Suburban North history, Mr. Nordman, retired. Replacing him was an assistant Mr. Nicastro. Mr. Nicastro stated that he played his own type of football strategy after he took over. He also said that the only way to stop the mistakes the Rams made is by concentration, practice, and execution.

Statistically the Rams were a strong running team. Ricky Quinn gained 526 yds. on 112 carries, a 4.6 average. Darren Thomas had 288 yds., 5 TD's and a 4.4 average. Grant Gerner completed 29 of 91 passes for 396 yards. Charles Monroe led in receptions with 11 for 192 yards. The leading tackler was Vince Rhone with 62, followed by Daryl Wilson with 59 and a team leading 3 interceptions.

Everyone was ready. This game meant alot to the players. It seemed as if the Super Bowl was on the line. Actually it was the opposite. Going into the game the Rams had stumbled through 9 games of losing, while the Hazelwood West Wildcats had also lost all 9. This was both teams last chance at victory.

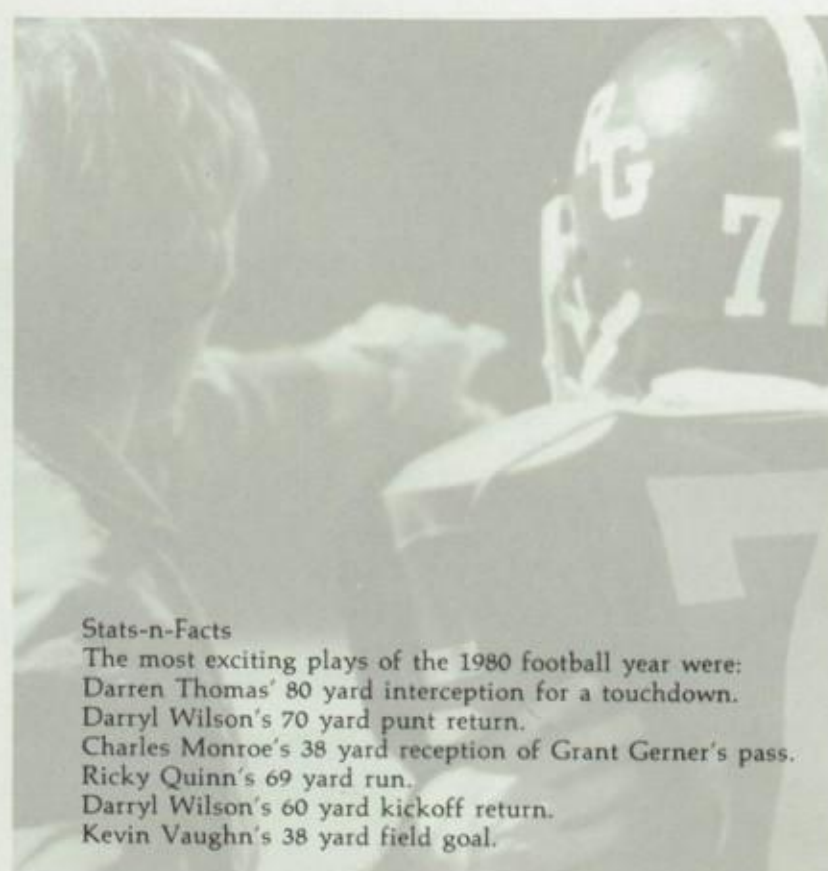

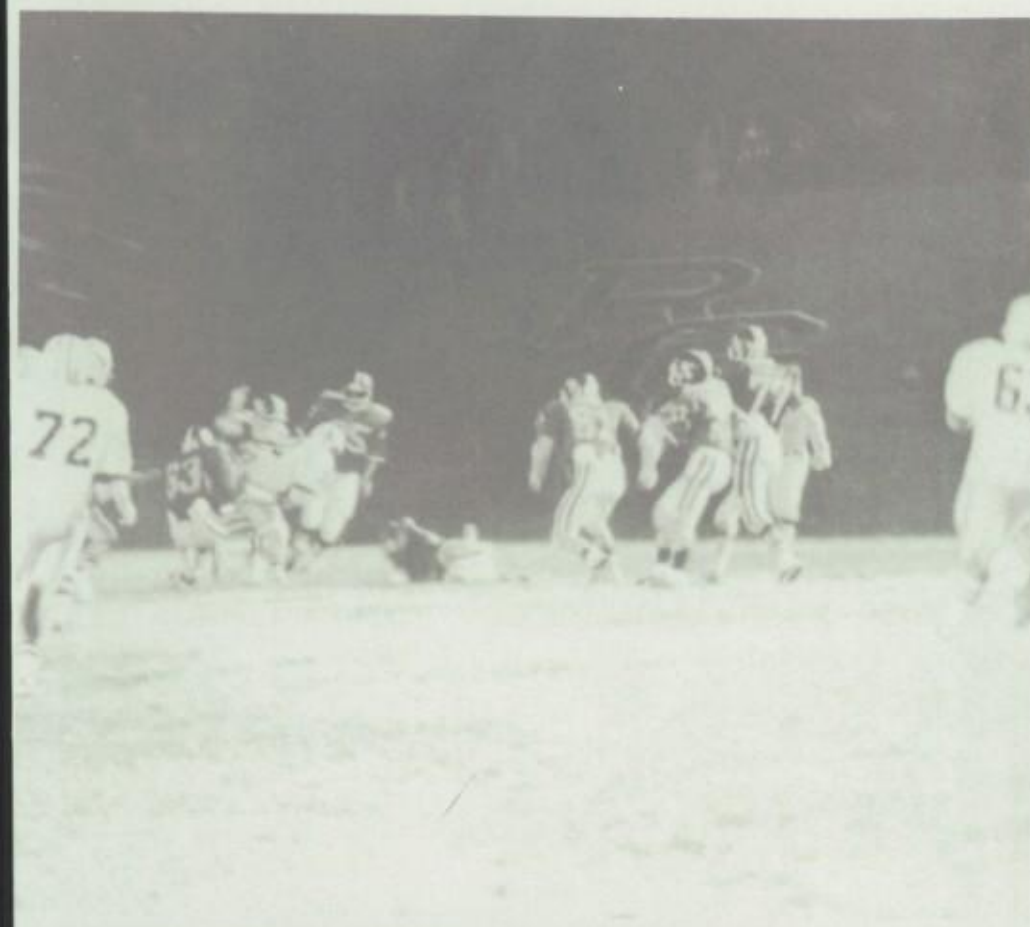

Like most of their season, the Rams fumbled at the wrong times, were penalized in key situations and did little things that thwart good scoring drives. Both defenses played exceptionally well, but eventually, Tony Doss picked off a pass, returned it to the one, and moments later Darren Thomas scored the only touchdown in a 7 to 0 victory.

Even with the Rams record as it was, many players placed high in the eyes of opposing coaches. Darren Thomas was voted first team defensive back in the Suburban North Conference. Jim Basler was voted second team defensive tackle. Honorable Mention went to defensive back Darryl Wilson.

Stats-n-Facts

The most exciting plays of the 1980 football year were:
 Darren Thomas' 80 yard interception for a touchdown.
 Darryl Wilson's 70 yard punt return.
 Charles Monroe's 38 yard reception of Grant Gerner's pass.
 Ricky Quinn's 69 yard run.
 Darryl Wilson's 60 yard kickoff return.
 Kevin Vaughn's 38 yard field goal.

Sophomores Holding On . . .

The Sophomore Football Rams, though struggling through a 3-7 record, showed signs of talent that will undoubtedly reshape the future of Ram Football.

At quarterback was Tony Ghrist. He will surely help out because of a strong passing arm, an offense Riverview is not known for.

To compliment this is three good running backs William Peoples, Kevin Vaughn, and Larry Kahle. All three are solid backs, Vaughn and Peoples having also played varsity.

Brian Clubb will help out the offense line while Freddie Washington and Ed Vols will help the defense.

The future of the Varsity Rams surely looks good.

Besides raising money for school activities, Student Council sponsored an Indian Boy through-out the school year. They also collected sixty-four dollars for Fontaine Woods nursing home for their Rock and Roll Jamboree, to benefit the heart fund. Yearbook Staff

The major functions of this yearbook are to provide you with a remembrance of the people and activities of Riverview for 1980-81 and a history of this year.

This yearbook has been quite an experience for all of us who have worked on it. We have been taught many responsibilities and have learned that putting this yearbook together is a lot of hardwork.

Newspaper - Riverviews

Sixth hour in room 214 is devoted to the production of the monthly school paper, "River-Vues".

Young reporters who have had a class in journalism have a variety of responsibilities. These responsibilities include deciding for every issue the content of the paper, writing the features, news and sports stories, planning the layout of each page, and distributing the paper.

The purpose of "River-Vues" is to inform Riverview students of issues involving their school, their community, and their world. The newspaper also contains advertising which helps pay for the cost of printing the paper.

In 1980-81, the newspaper class members were Jean Kilroy, editor; Jim Schermann, editor; Lisa Rebello, business manager, and reporters Lyn Meier, Cheryl Chambers and Bob Blakey. Mrs. Sainz was the adviser.

The journalism class, which met during third hour, assisted the River-Vues staff by contributing stories to the paper.

"River-Vues" is sold to the students during their sixth hour classes for 10 cents a copy.

1. Jean Kilroy, editor from 1979 to 1981, prepares "River-Vues" copy for the printer.

This year the Drama club presented two productions. The first was *Tom Jones*, the story of a homeless orphan who is driven from his home and his true love, Sophia Western. He travels to London and along the way meets up with many people with whom he shares his adventures. In the end he and his true love are united and alls well that ends well.

The second production this year was the spring musical "45 Minutes From Broadway." It was the story of a young man who dreams he is in one of George M. Cohan's plays. The musical was packed full of old time favorites such as "Mary", "Grand Ole Flag", and "Give my Regards to Broadway".

Both plays were very enjoyable, with excellent acting. However, a lot of credit must be given to the lighting and sound crew headed by Dan Craig and the set crew. Also Mrs. Galvin and Mrs. Blick must also be recognized for the choreography for the spring musical.

SADIE HAWKINS DANCE

1. I'm ready if you are . . .
2. Who are these hicks?
3. Some people prefer just to sit and relax.
4. OOOO! Look at that one.
5. This is ridiculous!

It was the middle of November, down in the hills of R. G. H. S. The Gals were fixin to grab themselves a man'n carry'em to the BIG HOE DOWN- the annual Sadie Hawkins Dance. The gals made real fancy corsages with straw, hay, n' anything else they could find to give the fellas. Once they reached the dance the first thing almost everyone wanted to do was ta get hitched. The preacher, "Marring Sam" spent all night hitchen' couples together. The big event of the Hoe Down was the crowin' of the king. This year's Sadie Hawkins king was Pat Baker who was crowned by last year's king, Jim Carey.

To round up the night, the gals took the fellas out fer some grits and grub.

The National Honor Society is an organization in which its purpose is to recognize students who have outstanding records not just in scholarship, but leadership, character, and service.

The NHS has had a very successful year. They entered a car in the Homecoming parade, which won a fabulous first place. Next came the careful planning of the Sweetheart Prom. This involved many long hours of time and effort, to make it a special evening.

The biggest excitement of the year was the tapping of new members. New members attended a luncheon in their honor after they were tapped, then a few days later, the actual induction ceremony took place, in which their parents were invited.

NHS thanks everyone who has helped make this a successful year.

1981 Sweetheart Prom. Feb. 20th. On what other night, do all the classes at Riverview get to dress in tuxes, suits and long dresses, buy flowers, and have a terrific time.

"Lost In Love" was the theme of this year's Sweetheart Prom, and it truly was a night for couples to be lost in their love.

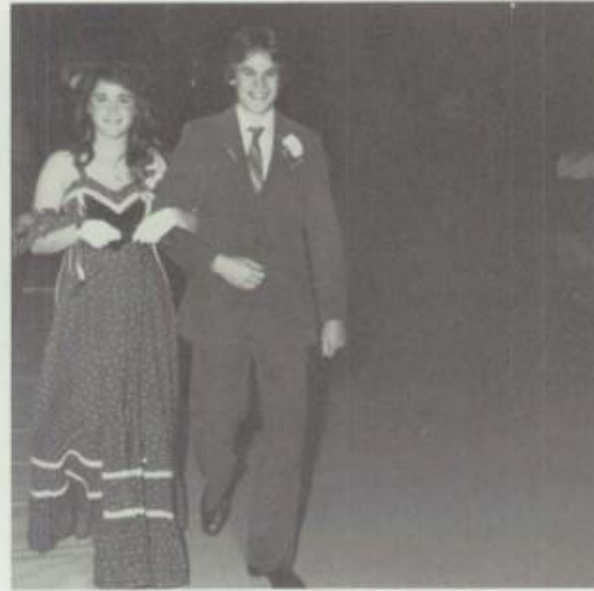

This year the prom had a unique touch to it. The hall was decorated with glittering stars of blue instead of hearts. The court was seated around a cloud of angel hair.

The evening started off with the usual picture taking, gossiping with friends, and finally a night of dancing and fun.

The height of the evening was when Liz Buechendorf and Tim Downs presented their crown and scepter to the new 1981 Sweetheart King and Queen, Dan Kopf and Laurie Behrman.

For most, the evening ended in a nice dinner at their favorite restaurant. All in all it was an evening which will be long remembered by all who attended.

Keep It Rolling . . .

"Hey all you Riverview fans stand up and clap your hands . . ." This was a familiar sound to most R.G. students as they joined in with the Varsity Cheerleaders at games & pep rallies.

The Varsity squad had many responsibilities this year. Along with cheering all varsity games, meets, & pep rallies, they also did lots of extra things to help build school spirit. They decorated locker rooms every week with signs & crepe paper, "decorated" houses, awarded the spirit stick at pep rallies, held cheerleaders Dare Day for the Hundred Neediest Cases, participated in the St. Pat's Day Penny Race, and Kidnapped the Varsity Soccer team, and took them to breakfast the weekend before the "Big Rosary game."

Their year began long before the actual school year began. Hard hours of practice all summer and attending a week-

long U.C.A. Summer Camp helped them prepare for the year ahead. At camp they won 2 Spirit sticks, and 5 Ribbons.

The squad also had a lot of fun times out of uniform. Here's what a few girls had to say.

"Cheerleading has involved a lot of time and hard work, but all the fun I had made it worthwhile". Sandy Kaufman/Junior "I must say cheerleading this year has been a blast I'll never forget all the memories & friends that were made. I do feel . . .". Sarah Rothwell/Senior. "Cheerleading was an experience I'll never forget. It made my years of high school a lot of fun. Whoop-do-do!". Joan Davis/Senior.

Although their year of cheering together is over, it will not be forgotten, for they were not only a squad, but a squad of friends.

Junior Varsity Cheerleaders

This year's Junior Varsity cheerleaders did a tremendous job and have displayed a lot of enthusiasm and spirit.

Being a cheerleader at the Senior High is tough work. During the summer, cheerleaders must give up 3 mornings a week to practice. Some of this time is spent getting acquainted with one another since they come from both Central and East Junior High.

The girls, who are chosen during the ninth grade year, are judged on cheers, double stunts, perfection, personality, appearance and pep.

In the fall the squad cheers for Junior Varsity and Sophomore football and soccer. Sometimes they cheer everyday for two weeks. They then cheer in the winter for Junior Varsity and Sophomore basketball, and wrestling. The squad must split up for these events. Once spring comes they are allowed to participate in sports themselves, if they wish.

CONCENTRATION

Good Luck!

What goes through the mind of a parent when a daughter puts on a pair of sweats, grabs her Pumas, and says she'll be late for dinner because of football practice? Why, worry when she says have a hot bath ready because she is going to need something to heal her wounds? It is 1980 but is the world ready for such changes as Pro-Women Football players? Relax, this type of thing goes on all the time at the Annual Powder Puff Game.

This year the Senior Women were surprisingly defeated by the Junior girls, by a score of 28-6. Both teams displayed a tremendous amount of competition and enthusiasm.

Terpischore

Their performance on May 7, 8, and 9th was a great success! They had practiced for months. They held practice every Tues. Wed. and Thurs. from 2:30 til 4:00. All members were chosen through a tryout period in the fall.

The members stuck together and raised money by selling candles.

Mrs. Blick played a big part in the show although she was not on stage. She was a very vital part to the show. Mrs. Blick designed costumes and choreographed all the dance steps except for the solo dance routines.

The day they had all been waiting for had arrived. It was opening night and the crowd waited with anticipation for the curtain to rise. As the curtain rose, there stood the best looking, best dressed girls waiting to dance their little hearts out for you. The show was fantastic! They were all *marvelous*! Chorus line, Oklahoma, the Wiz, Fame, and South Pacific were just some of the numbers that were fantastic. Godspell and Brana New Day from the Wiz were solo dances done by Dana Hines and Carla Williams. Yes, the 1980-1981 terpsichore was a success.

Anke Hubenthal is from Bochum in West Germany. Bochum is a town of 43,000 people and it is a very industrial city. Germany is a little bigger than Missouri. (The whole country of Germany is broken into smaller states.)

Anke Hubenthal said that the food is very different in the U.S.A. as the times we eat during the day. Anke's biggest meal in Germany is lunch. At supper time she has a sandwich.

Anke said that it was hard for her to adjust to life in America. Anke was shocked when she heard that she could not walk on the streets at 10 p.m. Anke said that in Germany she and her friends always walk the streets around 12 midnight. They usually go to the nearest bar and have a beer. Anke is seventeen years old. In Germany, any child or adult who can pay for a beer may buy one.

Anke's father is a manager of Opel Co. This is the sister factory of GM (General Motors). Anke has two brothers, Lutz Hubenthal twenty years old and Frank Hubenthal fifteen years old.

Anke's mother's name is Else Hebenthal and her father's name is Otto Hubenthal.

Anke said, "Here in the U.S. it is very different. You all have shopping centers. We have shopping streets with little Cafe's and little shops. You can say we live different."

Anke will go back to Germany at the end of June. Anke said that she will be going to school two more years and when she gets through that, she will be going to a university. Anke said "We are going thirteen years of school and I love it!"

Anke lived with two families while staying in the U.S. She lived with the Griffens from August to January, and then she lived with the Talbotts from January to June.

A.F.S. is a very active club. In October the club went on it's first hayride and was a great success.

They had what was called as The International Week-end which was when foreign exchange students came to this school. They had a big banquet and the next day went bowling and to the high school play.

During the school year they had various ways of making money. They had bake sales, Sold clip-on animals, River-view flyers, Irish buttons,

donuts and lollipops.

The very last activity that they did, brought on the A.F.A. fair. This was held on April 4th. At the fair there was two new attractions that seemed to make the fair a great success. The two new attractions this year was the dunking booth and the International Food Booth. This year was a big success with more people in the club in years, and earned the most money in five years.

FOOTPRINTS

One night a man had a dream. He dreamed he was walking along the beach with the LORD. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand; one belonging to him and the other to the LORD.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the lowest and saddest times of his life.

This really bothered him and he questioned the LORD about it. "LORD, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me."

The LORD replied, "My precious, precious child, I love you and I would never leave you. During the times of trial and suffering, when you see only one set of footprints, it was then I carried you."

Campus Life is a Christian nondenominational organization that meets on the small side of the cafeteria each morning for sharing time and prayer. They meet from 7:30 to 7:40. Each year Campus Life has held the turkey hunt before Thanksgiving break. A campus life member hides the candle turkey. Each morning and afternoon a clue is given in directing where it is hidden. The student who finds the candle receives a 10 pound turkey. The winner this year was senior Richard Britt. This year's sponsor is Mr. Leroy Hults, Health and Leisure Activities teacher.

211 "No Time"

I knelt to pray, but not for long,
I had too much to do,
Must hurry on and get to work,
For bills would soon be due.
And so I said, a hurried prayer,
Jumped up from off my knees,
My Christian duty now was done.
My soul could be at ease.
All through the day I had not time
to speak a word of cheer,
No time to speak
of Christ to friends-

They'd laugh twas time to die.
And when before the Lord I came
I stood with downcast eyes,
Within His hands He held a Book,
It was the "Book of Life."
(What if) God looked into
His Book and said,
"Your name I cannot find,
I once was going to write it down,
But never found the time."

Students in several of Ms. Ross' and Ms. Forrester's Senior Communications classes went on a field trip, May 7, to the St. Louis Art Museum. The main purpose of the trip was to acquaint the students with the museum

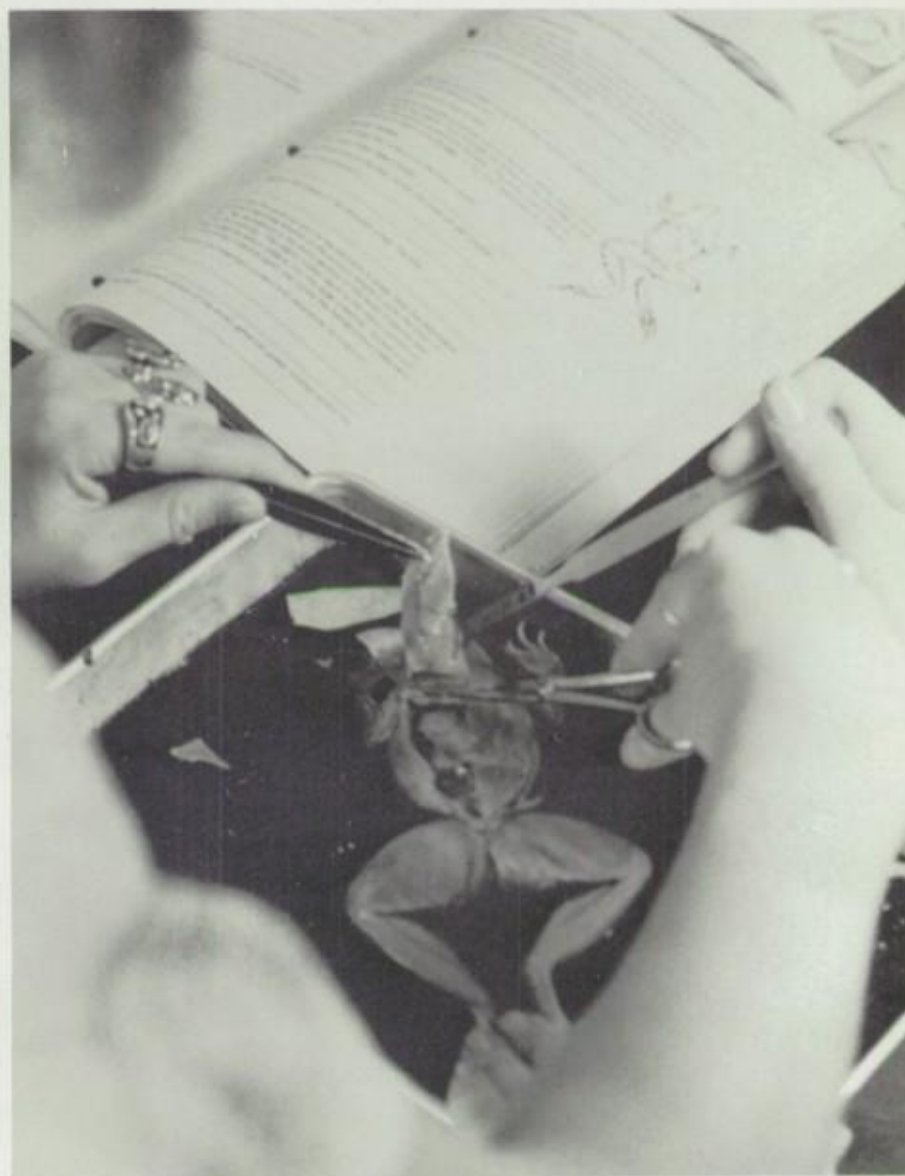

and, at the same time to encourage them to develop their observation skills through understanding how art reflects the artists and their times, and how different artists communicate through their work.

SCIENCE

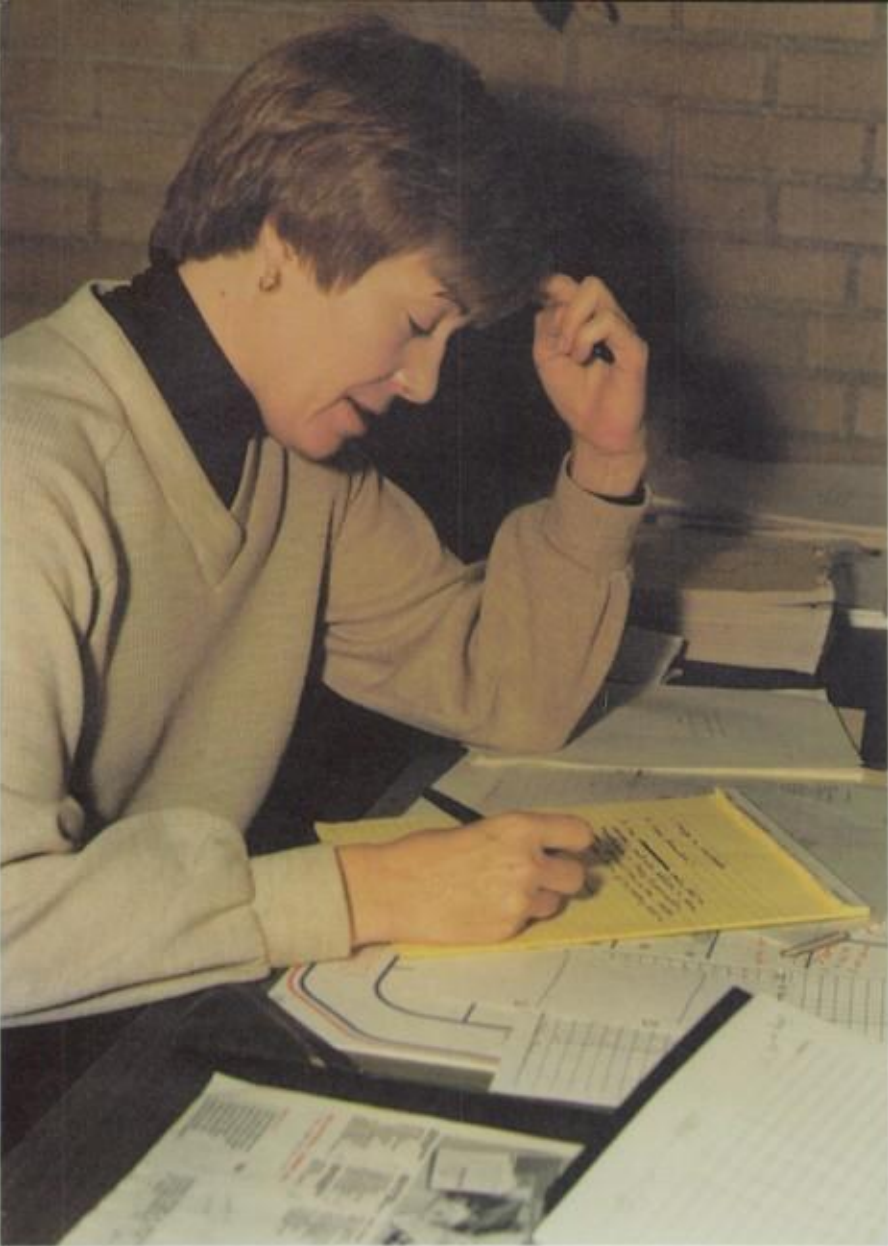

If you like to cut open frogs, invent weird potions, or maybe even discover the theory of relativity, you'll love to be in one of the Science Classes at RGHS.

The Science Department headed by Mr. Robertson has many courses offered to help enhance the scientific mind. These include Biology, Human Biology, Zoology and Botany, Earth Science, Chemistry, Advanced Chemistry, General Biology, General Science, Introduction to Physics, Physics, and Advanced Physics.

The scientifically advanced teachers instructing these classes are Mr. Robertson, Mr. Crib, Mr. Stegman, Mr. Mitchell, Mr. Walsh, and Mr. Snelson.

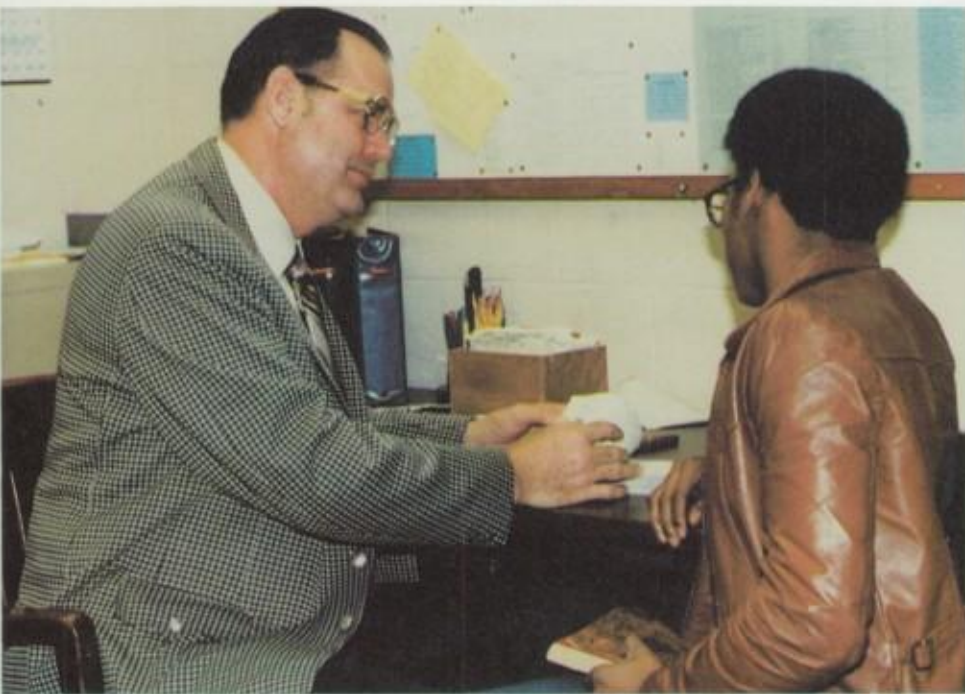

Guidance

Guidance counselors at Riverview do not have an easy task. They are not only in charge of scheduling but also in charge of guiding students in making important decisions for their future.

The counselors' responsibilities to the students are numerous. Among these are: helping each student to develop self-understanding, helping each student grow in his understanding of environmental opportunities and demands, helping each student make the wisest possible educational choices and plans based on his understanding of self and environment, and helping each student to accept the responsibility for making wise decisions and plans for himself. The counselors for 1980-81 were A-C, Mr. Seitz; D-Hol, Miss Lewis; Hom-Me, Mr. Elliott; Mf-Sq, Mr. Barnicle; Sh-Z, Mr. McDaniel.

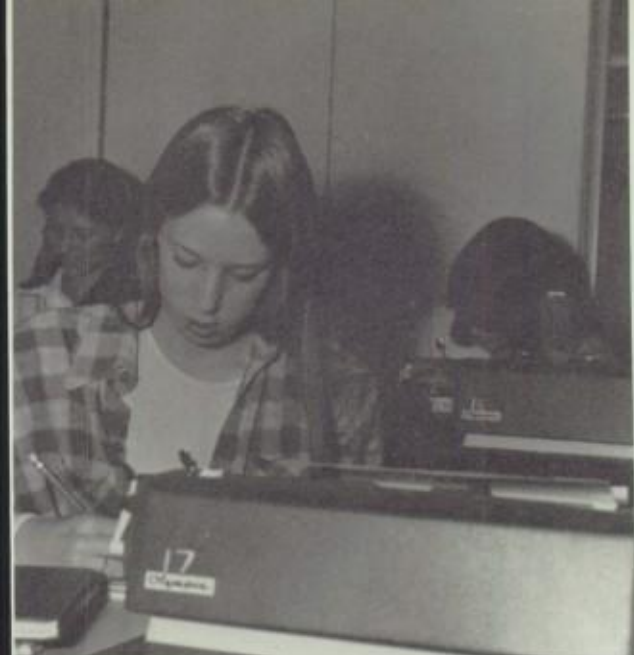

BUSINESS ED

Office Occupations (OOI and OOII) is an advanced typing course in which students learn a variety of office skills and techniques.

The course offers OOI and OOII. In OOII, if you are a senior, you have a choice to work or not. Most students work between twelve and five in the afternoon or on week-ends and in the evening.

This class is headed by Mrs. Mildred Ritchey. The teachers who instruct these classes are Mrs. Pamela Lauber, Mrs. Bonnie Koeneman, and Mrs. Mildred Ritchey.

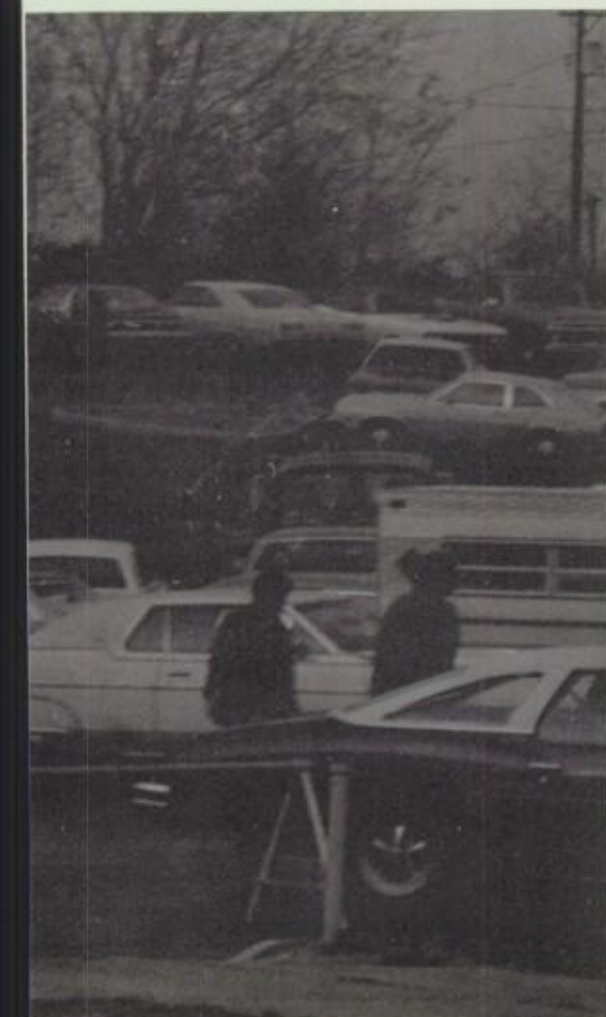

C.O.E

How would you like to go to school for only three hours? Of course, you'd have to go to work most of the time afterwards and have decent grades in school. If interested, check into C.O.E.

C.O.E. (Co-operative education) is a program for students who are interested in getting more job experience than the average person normally receives during his high school career.

C.O.E. is headed by Mr. Hodges. The teachers who instruct these classes are Mr. Hodges, Mr. DeCiechi, and Mr. Knight.

Through the course of a long tiring day at Riverview, we often find ourselves looking for ways to let off steam. Rather than cause havoc by running through halls, someone thought of Physical Education.

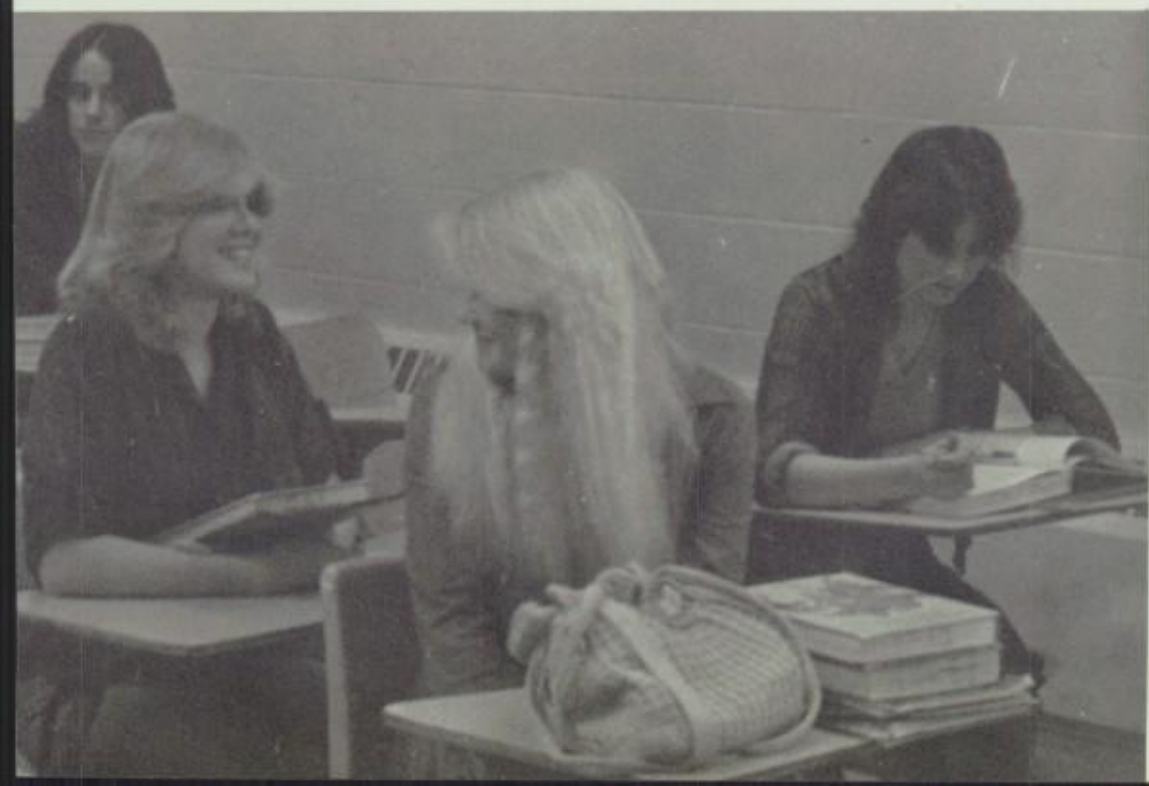

The Girl's Department headed by Mrs. Boehringer and the Boy's headed by Mr. Shayne, offer several classes of study. These classes consist of Physical Education, Health, Fall and Spring Sports, and Leisure Time Activities.

The teachers who instruct these classes are Mrs. Boehringer, Mrs. Judy Cooper, Mrs. Gaetz, Mr. Shayne, Mr. Nordman, Mr. Nicastro, Mr. Lipinski, Mr. Stocker, and Mr. Hults.

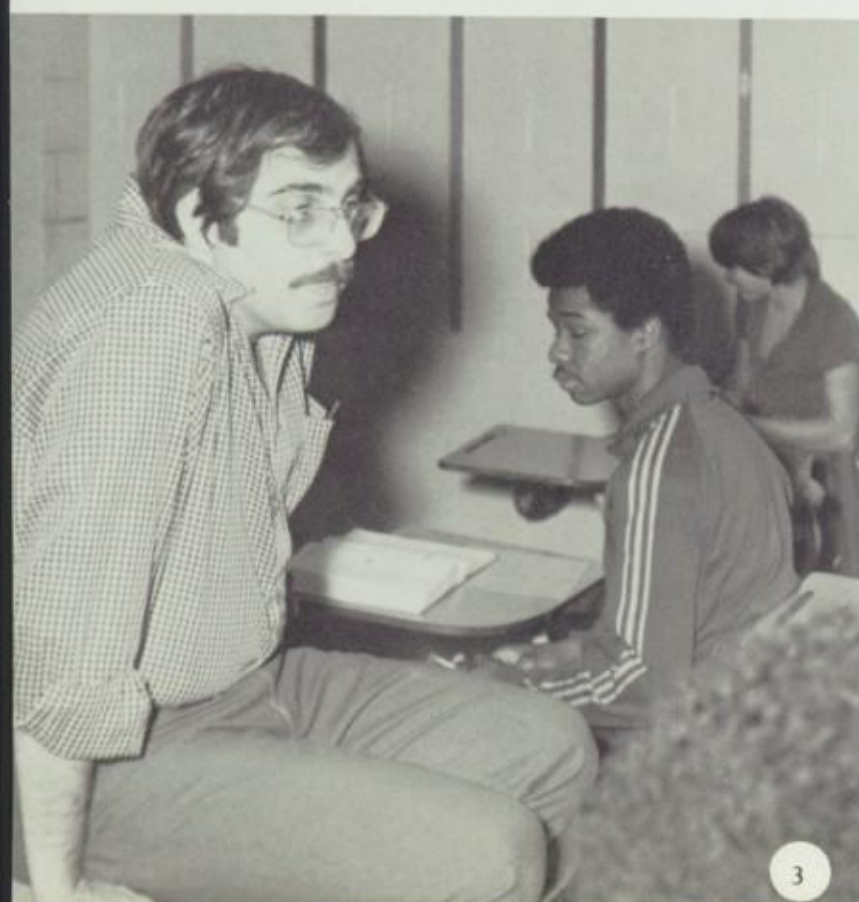

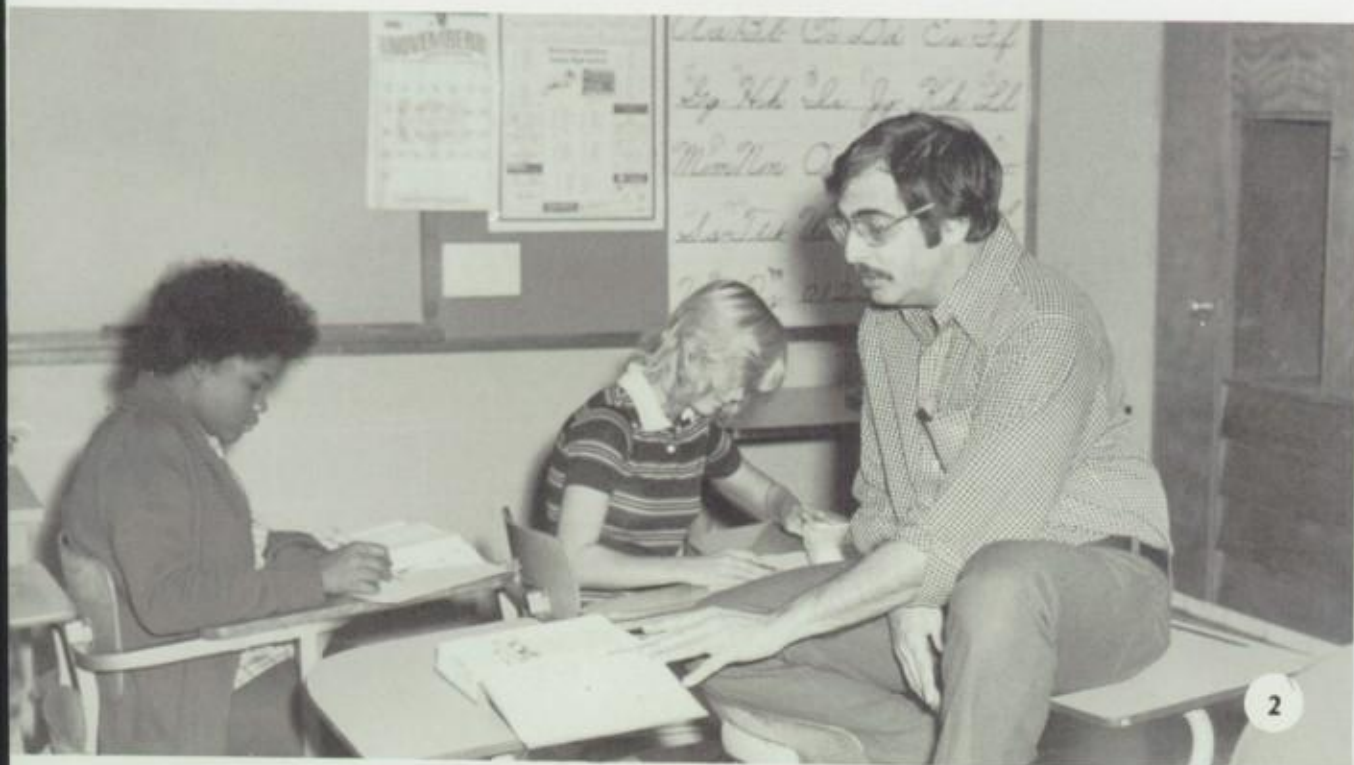

Health

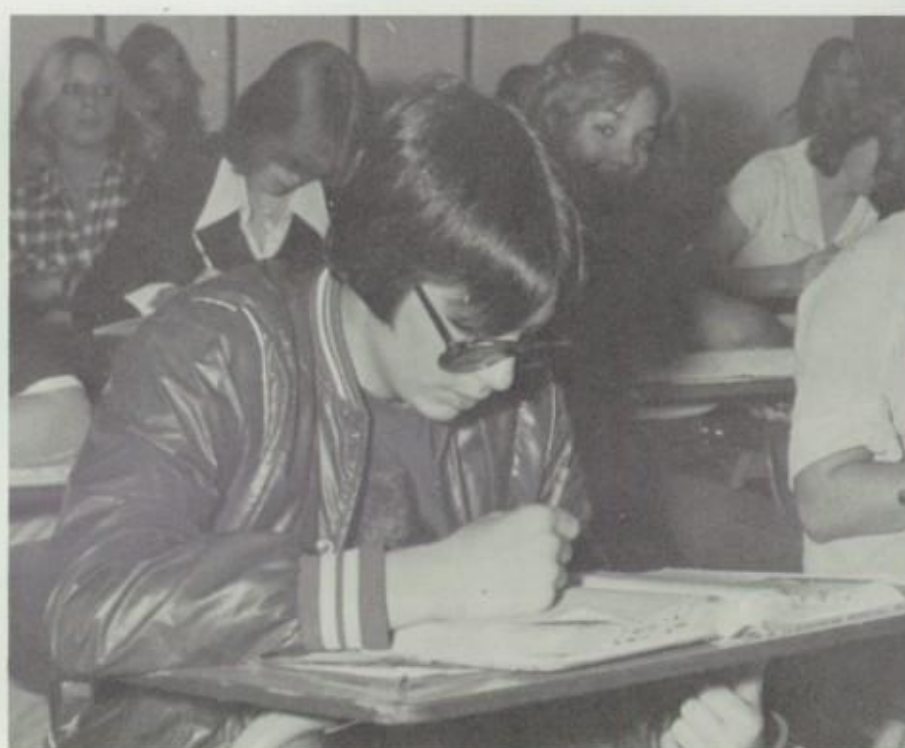

The Mary Stevens Memorial Library, one of the most complete in the North County area is "home" to many students during the school day. The Math Department, headed by Mr. Beaver, has many stimulating and satisfying classes. Among these are General Math, Applied Math, Shop Math, Intro. to Algebra, Algebra I, II, and III, Geometry, Trigonometry, and Math Analysis.

The instructors of these classes are Mr. Payne, Mr. Carter, Mr. Daviess, Mr. McPike, Mr. Rials, and Mr. Beaver.

Drivers ED

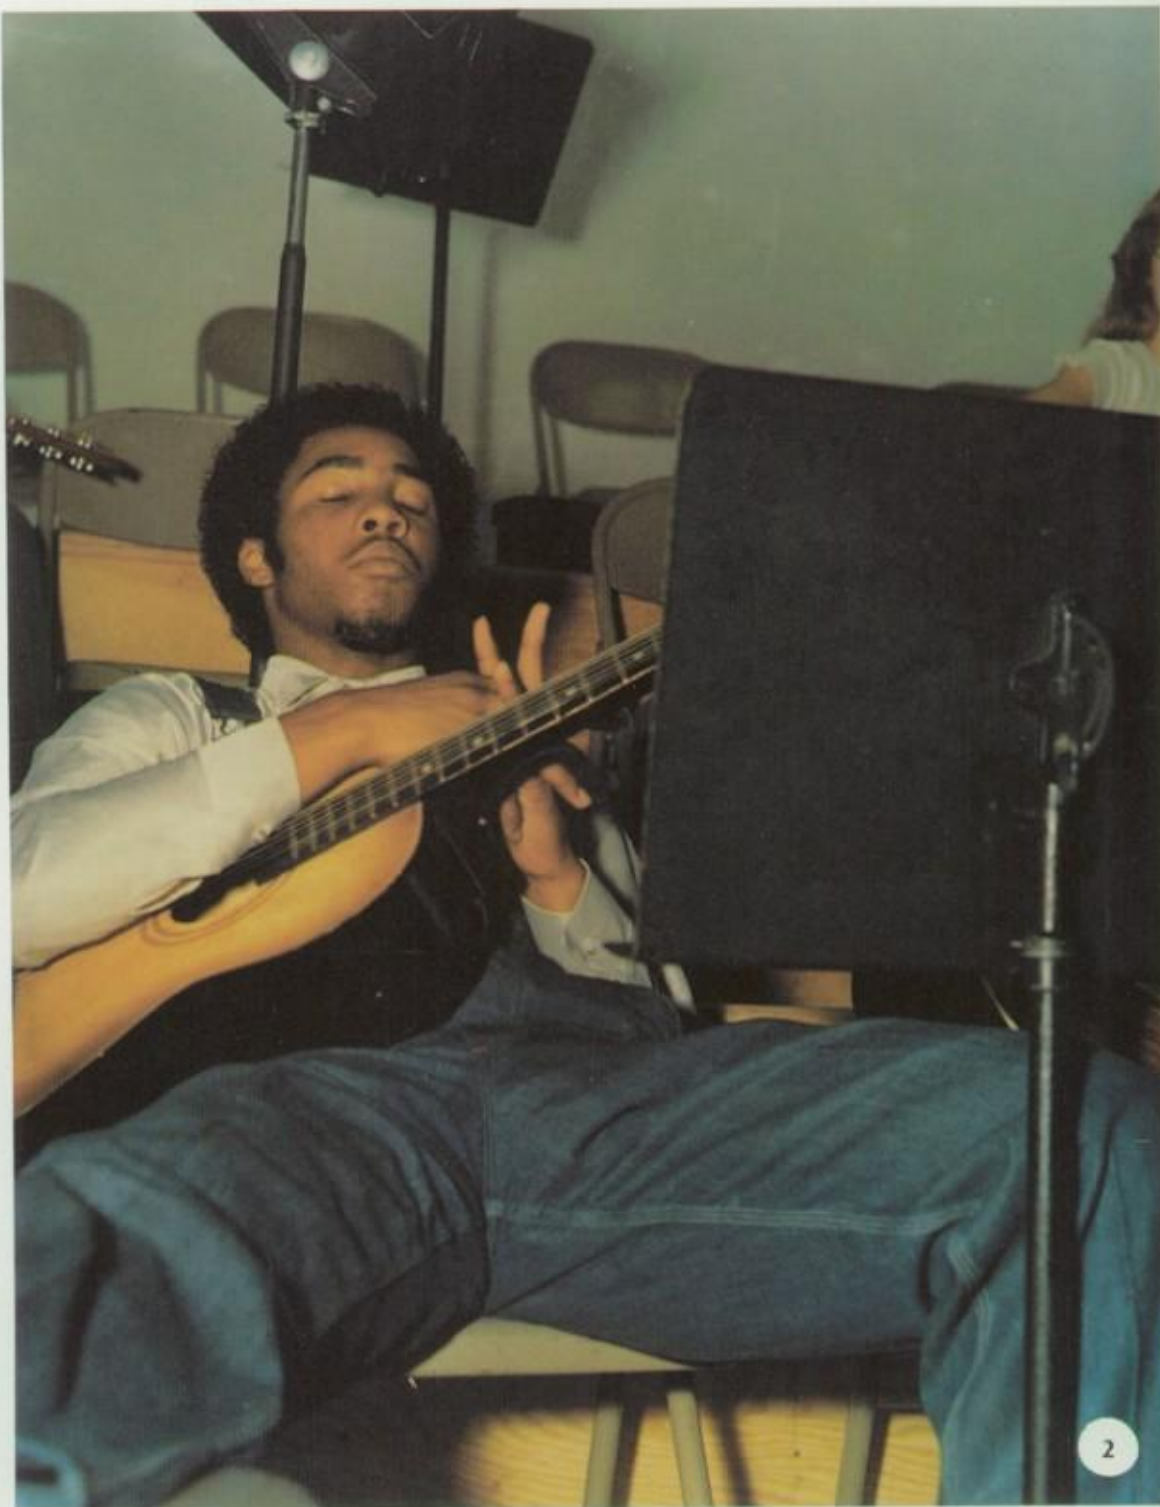

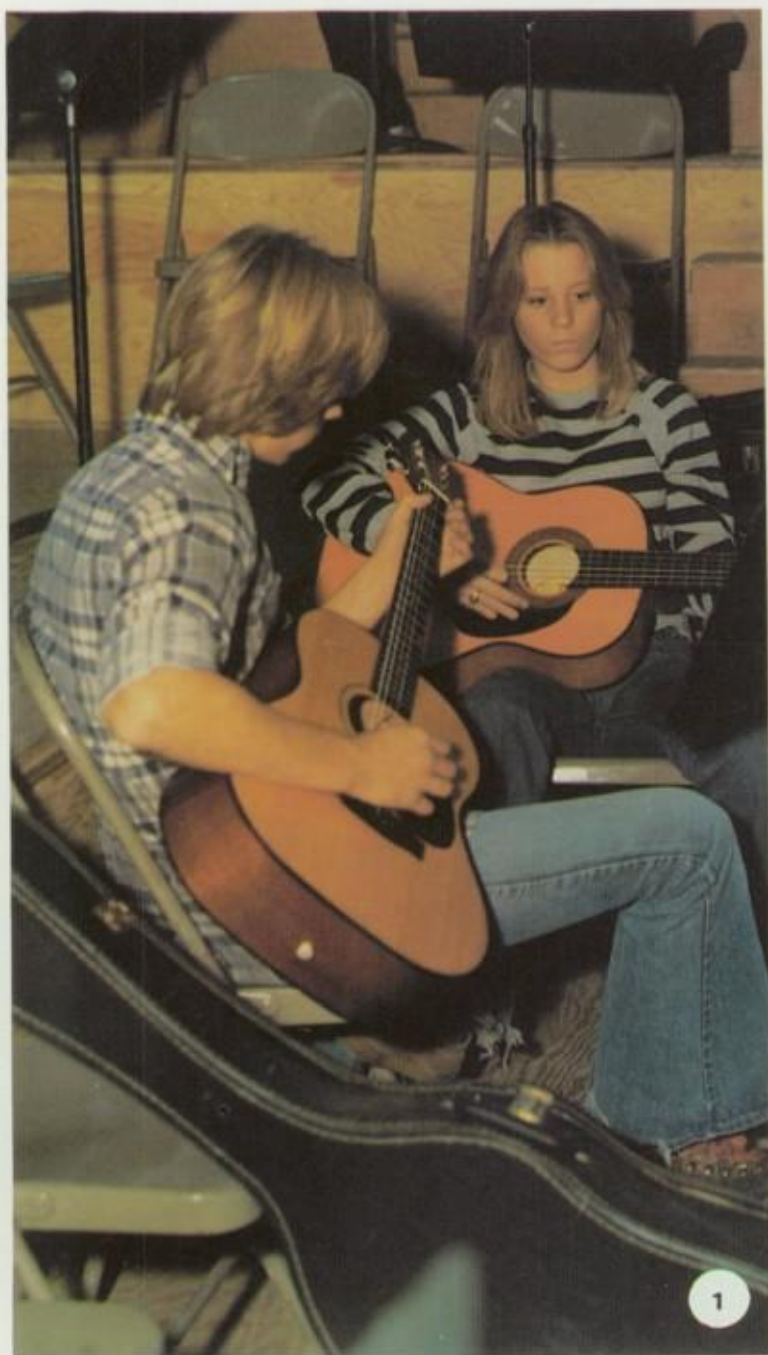

Drivers Education, a class offered at Riverview Gardens Senior High School, expresses to it's students the safety of driving along with the rules and regulations of operating the vehicle.

An extention of this course offers additional training and experience as it allows the students to participate in "on the road training." Though this additional training requires an extra fee, most insurance companies consider it an asset when preparing rates.

Mr. C. Despain, present instructor, has been a drivers education teacher since nineteen sixty. Though Mr. Despain is the only teacher instructing drivers education classes during school hours, many other teachers are assisting with the actual driving part of the course which takes place after school hours.

Music

1. Jamm'in

2. I always meditate before practice.

3. RGHS Choir.

What would the world be without music? The music department which consists of many different subjects is constantly busy making music to help make all our lives enjoyable.

The Orchestra, which is conducted by Mr. DuPerrett, is designed to give students the experience of playing in an orchestra and to expose the band members to a wider variety of music.

Mr. Elgert directs the Concert Choir which sings at choir festivals and concert, while going on numerous field trips.

Last, but by no means least, is the Marching and Concert Bands. This group has made tremendous steps in the last three years under the leadership of (Spanky) Mr. Smith. They have traveled over 8,000 miles in the last three years, including a trip to Florida, and in the process raising well over \$27,000.

Home Economics

Mrs. Steckenrider, who teaches Family Living and Home Nursing, makes up part of the Home Economics Division. The other teachers teach such courses as Clothing and Single Living taught by Mrs. Marler and Miss Manley, who teaches Family Foods, Foreign Foods and the Child Development class. Family Foods and Personal Culture are taught by Mrs. Stegmann.

Personal Culture is concerned with your own self-confidence and self-improvement. Home Nursing is an all together different class, teaching care of the sick at home. Students will learn and practice techniques needed for Home Nursing. Family Foods is a course designed to teach how to prepare and serve nutritionally balanced food for a family. Foreign Foods is another cooking class designed to teach the process of cooking foreign foods the way its done in other countries.

Clothing I teaches how to take measurements and using patterns while Clothing II teaches the more advanced techniques with Clothing I prerequisite. Child Development places emphasis on study of young children. Single Living and Family Living teach ways of making it in the real world.

Darrall Welch: Now I can "SEE".

Mary Ann Bono and Todd Whitney, close your MOUTH!!

The class of eighty two (82) started the year with great expectations, a great amount of spirit, drive and determination in their efforts to prove that they are number, one (1#).

The Juniors made an outstanding float for the Homecoming Parade, but, in controversial decision finished second to the Senior Class float.

The Junior girls got sweet revenge over the Senior women with a score of 26-6 in the Powder Puff football game which they dominated.

POEM FROM THE SENIORS TO THE JUNIORS

So we're leaving, that's a fact
With you Juniors at our back
The future holds times of true
Yes, for you graduates of "82"
Advice is to take your time
Establish your own Rhythm and Rhyme
No one can turn the Establishment on
Like the Mighty Class Of "81"
So stick to your guns
And you'll have fun
Like the Senior Class of "81"

Record Setting Varsity Girls

This years girls varsity basketball team may have finished with a mediocre record of 9-17, but don't let that fool you. This team broke records and accomplished many goals.

This years team also set a record for most team points. with 968.

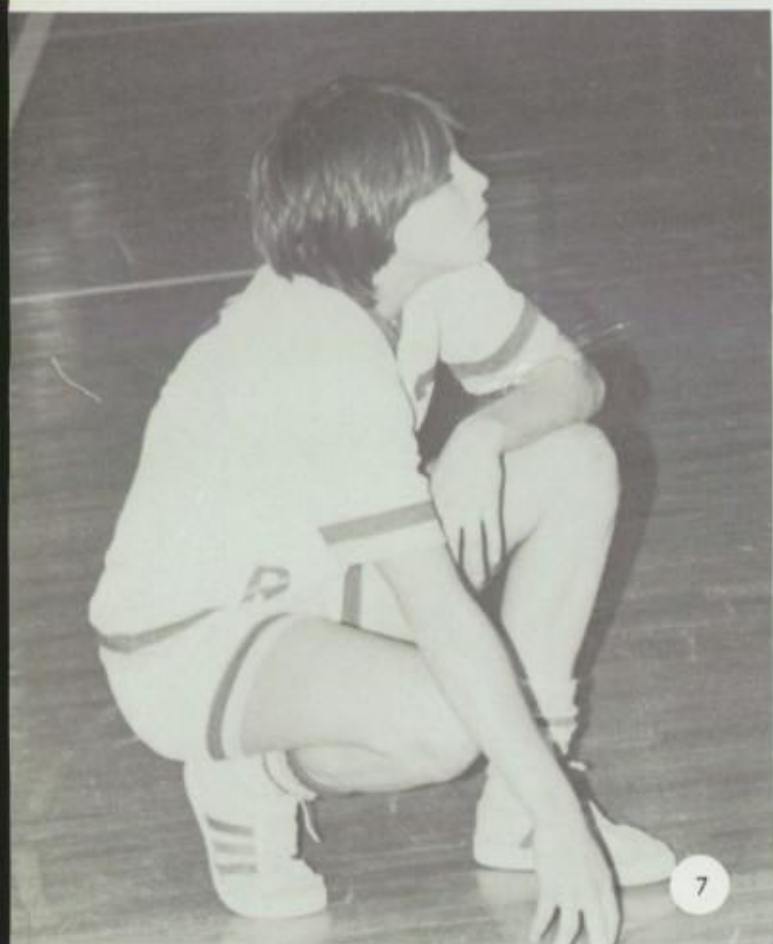

Next year's team will definately have some good talent. Junior Ellen Buerk led in scoring with 259 pts. This total is 4th place on the career scoring list and with only 123 more points she'll over take Lisa Studnicki as the all-time leading scorer. She also led in rebounds with 202(8.0 per game). Sophomore Chris Horan led with a 36.06FG%, which currently leads the all-time list. She also made 75 steals, second highest on the team.

Toni Diamantini led in FG percentage with 39.08 and Francine McCulley pulled down 96 rebounds. Marty Flaherty had a 48.7 on free throws, while also pacing the team with 50 steals.

The Music Department, consists of various types of subjects. The orchestra, which is conducted by Mr. Don DuPerrett, gives students the experience of playing in an orchestra and to expose the musicians to a wider variety of music.

The concert choir, directed by Mr. Ernest Elgert, was a very busy group. They made special trips to Senior Citizens Centers, Nursing Homes and Jamestown Mall to entertain the public. They also had some members attend a solo festival at UMSL.

Then there is the Marching Rams, the Concert Band and the Stage-Jazz Band. These groups were all directed by Mr. Richard Smith. The marching band were the busiest of all the music dept. They marched in various local parades as well as out of town. Their biggest out of town performance was Knoxville, Tennessee for the Dogwood Arts Band Festival.

Spring 1981 Sports

Boys' Track 1981

The Rams track team had a highly successful year, with an impressive 9th place finish in the state meet at Columbia.

The team finished second in conference with an 11-1 mark in dual meets.

Reggie Barber, Junior, was the Rams main man, He placed in the 100, 200, and is the state champion in the 400 meter dash.

During the season, Barber set a new school record in the 400 with a time of 49:19. Gary Martin, also a Junior, set two school records. In the long jump he set the mark with a leap of $22.7\frac{3}{4}$, and the triple jump with a leap of $47.7\frac{1}{4}$.

The Rams were coached by Mr. Jerry Moenster, and Mr. Jim Payne. Next year, Mr. Ken Walker will take over the reigns of coach as Moenster and Payne are going elsewhere.

Softball "81"

With a good mid-season showing a young team, The Riverview Gardens Softball Team has a lot to look forward o.

Starting out slow, winning 3 and losing 3, the Rams then proceed to win 5 out of the next 7 games, only to slow down again and end up at 10-9.

Playing with basically a young team, these girls benefited by gaining valuable playing experience. One of the best players was Lori Walton; Junior, who not only won 7 games (4 losses), but also led the team with 20 hits, 2 doubles, and 16 RBI's. She tied for the lead in walks (14) and homeruns (1) while hitting .378.

Carol Engelhard, Senior, hit .352 and led in triple's with three. Chris Horan, Sophomore hit .263, scored a team high 19 runs, and made dazzig plays from her shortstop position. Kathy Werle, Senior hit .253, while ripping off 5 stolen bases.

Other leaders were Dawn Walton (Soph.) who hit .444 and Patty Gorman Junior who tied for the base-on-balls with 14.

One of the regular starters, only 3 were Seniors. 6 Seniors are on the 18 player roasters.

This year's boys varsity baseball team, plagued by errors, injuries, and suspensions, battled it's way to a 7-11 mark 6-6 conference.

Pat Baker led in almost every hitting catagory. .531 average, 3 doubles, 2 triples, 3 homeruns, and 16 RBI's. This years all-american goalie may soon become an all-american first base-man.

Grant Gerner hit .340 with Chuck Womack close behind at .339. Keith Reinhart and Randy Bradley also hit around the .300 mark all year. This year's squad hit .290 as a team but errors cost them quite a few games.

Jim Dunger led pitchers with 3 wins (5 losses). Dunger was constantly hurt by bad defensive plays, often losing games they could have been won. Keith Reinhart and Bob Grecco also pitched quite effectively.

Coached by Don Mitchell, this year's team consisted mainly of Seniors.

The biggest competition the Ramettes got was Hazelwood East, who finished at 6-0-2 . . . An earlier tie with Hazelwood West coast East a chance at upending Riverview's place . . .

When the two teams met for the suburban North Pennant it was called one of the best high school girl's soccer games either coach had ever seen . . . Both teams played tremendous defense . . .

The game ended in a scoreless tie giving the Ramettes their second consecutive Suburban North title.

The Girls Soccer Team, coached by Mr. McHugh, had a twelve game winning streak this year.

RAM GOLF '81

The Ram Golf team got off to a dismal start. If there was an out of bounds on the course they found it. But even worse, if they would hit their ball into the woods they didn't find it.

The senior studded team's biggest problem was lack of consistency. But mid-way through the season the Rams came on strong. Although they placed ninth in the Conference tournament, they came back the next week to knock off Hazelwood West, McCluer North, and Rosary in the District Tournament.

First year coach, Bob Hirst, really enjoyed supervising and watching the team improve.

Although the team only won two dual meets, they proved to not only the other teams but to themselves that they were capable of playing up to par.

Keith Quvreaux was named Most Valuable Player as well as top singles with 10 wins, 9 losses. Jerry Van Pelt had the best record (12-4), and was also a half of the best doubles team consisting of Van pelt and Jerry Unnerstall. Mike Crowell along with Keith Quevreaux were this year's captains. Phil Szyhowski won the Most Improved Player award; Mike Crowell was named as the recipient of the Senior Award. Jerry Unnerstall received the Sportsmanship Award for the third year straight.

Coach Nordman: The End Of An Era

1. Men who have coached under Nordman: D. Paulsen, D. Chickering, S. Schoelle, H. Stocker, C. Bowen, J. Robertson, L. Shayne, D. Mitchell, R. Massa, C. Nicastro, B. Dinger. 2. Coach reminisces over the past years. 3. Marty Weisner does his imitation of Coach Nordman at a practice session. 4. Coach Nordman look-alike.

Mr. Gerald Nordham, head football coach here at Riverview Senior High, resigned this year after twenty-four and one-half years of coaching the football RAMS. Coach Nordmans resignation was brought on due to health problems. Although, it wasn't the health problems that made him resign, he felt these problems wouldn't allow him to push the team as hard as he should.

Mr. Nordman, who has been teaching and coaching here at Riverview since 1956, has an astonishing coaching record. His record in the Suburban North Conference was 87-Wins, 44-losses and 3 ties but that included a bad streak that came from 1976-80 of 11 wins, 29 losses some surprising facts are he won 10 of 15 games against Hazelwood Central, 12-15 against Ritenour, he was 10-3-1 against Normandy, 11-4 against Pattonville, and 5 and 1 against Hazelwood West, 8-4-1 against McCluer, and 5-3 against McCluer North. The only team he had a losing record against Hazelwood East(2 and 4). His overall coaching record ended with 123 WINS, 87 loses and 12 ties.

For Nordman there has been a lot of good years, but its not the championships he remembers but the kids he has coached. He recalls that a lot of the kids he coached are now doctors or lawyers. These achievements by his players make him as proud as if they were his own. Nordman says, "the best thing about coaching is that you get to know the kids better than just a teacher but you learn things about them that you couldn't see otherwise." Not only has Nordman learned alot from his players but they also have learned alot from him.

Although Coach Nordman has retired and no longer will be leading his team to Victory, he will always be remembered, along with his "WAR STORIES" that all his players will always recall.

January Graduation

On Monday evening, January 19, 1981, the Riverview gym was filled with parents, relatives, and friends of the 1981 midyear graduates. After a short prelude by the RGHS Orchestra under the direction of Mr. Don DuPerrett, the President of Campus Life, David Hults, delivered the Invocation. Mike Crowell, Vice President of the Student Council, then led the graduates and their parents in saying the Pledge of Allegiance. Principal Chickering then welcomed all those who attended the 1981 January Graduation Ceremony. Following several speeches from members of the Administration and Board of Education, 77 men and women were presented their diplomas. This was the 50th graduating class of Riverview Gardens.

WE ARE GREAT, WE ARE FUN, WE'RE THE CLASS OF 81. We are the Seniors of 1981 and we are PROUD!

We have had great success this year and we all will have a great success as we go our own ways. Do you remember when in grade school how you thought you would never make it to the Senior High, where all the big people went to school? Well, now you've made it and now it's time to say good-bye. Ask yourself some questions. Did you find a close friend that you could depend on? Did you learn about team work, and how to love someone who needs you? If so, then you have learned something that you will use the rest of your life. School is not just learning English, Math and Science, but learning to get along with other students and faculty. The friendships that we have together will not die, but live in our hearts and minds forever. The hopes and dreams will be there as we take new and bigger steps in life. Just remember, we're the only class of '81 and there will be none other!
